Cruise along the Mekong through Cambodia and Vietnam as you are transported back in time to another era, where the rhythms of the countryside move at a slower pace and allow for a fascinating glimpse into a traditional way of life. Visit rural villages, colorful markets, and a monastery, where you will receive a special Buddhist blessing by monks. Delve into peaks and valleys of Cambodia's history in the Royal Palace and National Museums of its beautiful capital, Phnom Penh. Witness skilled artisans who create exquisite handicrafts and delicacies, and be treated to authentic experiences, including rides via oxcart, tut tut and trishaw. On this transformative journey, the Mekong truly reveals a vibrant world along its shores.

### About the Ship:
